

HIGH SCHOOL CAMPAIGN

AIMS

To market ACTS to all scholars, especially those in Grade 12 in high school and not only in Catholic Schools.

To familiarise scholars with ACTS and its projects, mainly the ABCD Lifestyle campaign.

To enhance the culture of the African church.

To give spiritual, academic and social support (mentoring).

How

By paying visits to high schools and informing the scholars about the identity of ACTS.

By establishing and maintain the relationships with the scholars and the schools.

Before paying visits to a branch a standardised letter has to be sent to the school.

By using the ACTS brochure and the website.

Possible problems

Two branches visiting the same school

Solution: Planning and communication among the Provincial Executive Committees

When

During the term in branches.

in local parishes when tertiary is closed.

Assessment

The program must be evaluated and solutions formulated where there are problems. The evaluation can be conducted:

At Provincial Committee Meetings.

At the conferences
